The SPP is open to all eligible shareholders of Nearmap, being holders of Shares on Nearmap's register of members as at 7.00pm (Sydney time) on 22 November 2016 whose registered address is in Australia or New Zealand (and who otherwise meet the eligibility criteria set out in the attached SPP Terms and Conditions) (Eligible Shareholders).

For the purposes of ASX Listing Rule 3.10.3, the following additional information is provided in relation to the SPP:

- Shares issued under the SPP will be new Shares and will rank equally in all respects with existing Shares from their date of issue.

- Shares will be issued under the SPP at an issue price of A$0.70 per Share, being the same issue price as the price per Share paid by sophisticated, professional and institutional investors under the placement announced by Nearmap on 23 November 2016 (Placement) (which represents a 5.4% discount to Nearmap's closing Share price on ASX on 22 November 2016).
• The maximum amount to be raised under the SPP is A$5 million (equivalent to 7,142,857 Shares). Nearmap will scale back applications received under the SPP if they exceed A$5 million in aggregate.

• The purpose of the SPP is to provide Eligible Shareholders of Nearmap with an opportunity to acquire Shares at the same price as the price paid by institutional investors under the Placement, without brokerage or transaction costs. The additional capital raised under the SPP will be used to expand Nearmap's sales and marketing capability and its capture program, to develop HyperCamera2 units for oblique imagery capture, to provide additional working capital and other general corporate purposes.

• Nearmap will not be seeking shareholder approval for the issue of Shares under the SPP.

• The issue will be made to certain Eligible Shareholders of Nearmap. The eligibility criteria for participation in the SPP is set out in the attached SPP Terms and Conditions.

Yours faithfully
